CHAPTER 35. KINDERGARTENS

SECTION 59-35-10. Kindergarten classes shall be provided...

¶ Parents of children who are eligible to attend the extended-day five-year-old kindergarten may elect the half-day program for their children. Parents intending to enroll their eligible children in a full-day kindergarten program must notify the district by January thirty-first of the year of the anticipated enrollment date. Parents moving into the district after the notification date may apply for full-day kindergarten, and the district shall enroll such child in its full-day program on a space available basis. Any parent or guardian of a child eligible for kindergarten may elect for their child or ward not to attend kindergarten pursuant to Section 59-65-10.
